

AWSE 2022

THE SECOND ASIA WORKSHOP ON SOFTWARE ENGINEERING

September 16-18, 2022 | University of Thessaly, Larissa, Greece

The Second Asia Workshop on Software Engineering (AWSE 2022), which is scheduled to be held at University of Thessaly, Larissa, Greece during September 16-18, 2022 will offer researchers, delegates and scholars an incredible chance to interact with each other and share their experience and knowledge of technology application. AWSE 2022 will offer an extensive program of interest to academia, government and industry. It will include several distinguished keynote speakers and invited speakers and conference days of paper presentations and panels. We look forward to your contribution and participation.

We invite submissions of high quality research papers that describe original and unpublished results on all topics of both theoretical and empirical software engineering research.

PROCEEDINGS

Accepted papers after proper registration and presentation will be published in the Conference Proceedings, which will be submitted for indexing by **Ei Compendex, Scopus**, etc.
